Experience

Columbia Missourian

Graphics editor, Jan. 2021 to present

- Supervised students in the Information Graphics course during shifts.
- Assisted students in the process of creating publishable charts, maps, tables and illustrations.
- Taught students how to use Adobe Illustrator and Tableau Desktop.
- Collaborated regularly with editors, reporters, designers and copy editors.

Graphics reporter, Aug. 2020 to Dec. 2020

- Used Adobe Illustrator and Tableau Desktop to create 10 published graphics in the Missourian.
- Pitched ideas weekly.
- Created a final full-page graphic published in the Missourian's print edition.

Copy editor, Aug. 2020 to Dec. 2020

- Copy edited news stories for grammar and AP style.
- Published news stories to the Missourian website.
- Assisted in the print production process for the Missourian newspaper running five days a week.
- Created social media posts for Facebook and Twitter.

General assignment reporter, Dec. 2019 to Jan. 2019

- Worked full time covering stories on the education, public life and public health beats.
- Completed necessary research and interviews for stories.
- Reported and wrote an average of one story per day.

Mankato Free Press

Reynolds Journalism Institute Student Innovation Fellow, May 2021 to Aug. 2021

- Worked with editors and reporters on creating interactive media and data visualizations for web.
- Created and ran an Instagram account that reached 200 followers by the end of the fellowship.
- Created a COVID-19 dashboard using Tableau Desktop for web.

Vox Magazine

Contributing Writer, Jan. 2020 to May 2020

- Wrote for the city life beat.
- Pitched and reported stories on a bi-weekly basis.
